COST AND VALUE PROPOSITION

SAVINGS STATISTICS: Companies save 20–30% on IT operational costs with managed services versus hiring internally.

TIME EFFICIENCY: Average hiring time reduced by 50% compared to internal recruiting.

SCALABILITY IMPACT: Managed IT services reduce downtime by 40% due to proactive management and expert oversight.

MARKET PERSPECTIVE IN 2025

HIGH DEMAND FOR IT TALENT

Growing digital transformation in financial services and insurance drives demand for skilled IT professionals.

EVOLVING TECHNOLOGY STACKS

Organizations are increasingly adopting cloud platforms like AWS, Azure, and Google Cloud to stay competitive.

COST CONSTRAINTS

Escalating costs for recruiting and retaining top-tier IT talent.

PROJECT COMPLEXITY

Need for multi-functional teams to manage Agile, DevOps, and hybrid development environments.

RESOURCE MANAGEMENT

Difficulty in maintaining an optimal balance of in-house vs outsourced IT functions.

POSSIBLE PATHS

Have a vision, but need a team?

Voyage has the consultants you need to put your strategy into action and reach your goals.

1. CONTRACT CONSULTANTS

Expert IT professionals deployed for specific roles

2. MANAGED SERVICES

End-to-end management of IT projects and functions

3. CONSULTING ENGAGEMENTS

Tailored consulting for strategic IT initiatives
