

WAREHOUSE RELOCATION SUPPORT

Operational Expertise for Seamless Transition

THE CHALLENGE

Warehouse relocations can cause operational disruption, missed deadlines, and costly downtime when not planned with precision.

Upcoming moves present a critical opportunity to prepare logistics, technology, and workforce readiness to ensure a smooth and efficient transition.

VOYAGE'S SOLUTION

Strategic Oversight Meets Hands-On Execution

Voyage provides experienced supply chain and operations professionals to lead or support relocation planning. We work side-by-side with your internal team to create a cross-functional plan and ensure critical work streams (inventory, systems, labor, facilities) remain coordinated and on track.

RELOCATION PLANNING

Resources and expertise to guide every stage of the move

TIMELINE COORDINATION

Aligning tasks, teams, and milestones

RISK MITIGATION

Contingency playbooks to address potential disruptions

POST-MOVE STABILIZATION

Rapid ramp-up to restore and optimize operations

KEY BENEFITS

30%
reduction in
relocation-
related
downtime

Faster
time to
operational
stabilization

Avoided
inventory
and shipping
disruptions

Embedded
change
support and
executive
reporting

WHY VOYAGE

OUR 4-PHASE RELOCATION FRAMEWORK

1 ASSESSMENT & PLANNING

Comprehensive review of inventory, facilities, and technology to inform the relocation plan

2 WORK STREAM COORDINATION

Integrated timeline planning across logistics, HR, IT, and other critical functions

3 EXECUTION & OVERSIGHT

Onsite leadership to manage cutover, address issues, and keep the move on track

4 STABILIZATION & OPTIMIZATION

Rapid issue resolution and process improvements to restore and enhance performance

PAST EXPERIENCE

NATIONAL RETAILER

Supported cross-province distribution center relocation with full change and cutover coordination

MANUFACTURING CLIENT

Embedded operations lead ensured uninterrupted supply chain during multi-site warehouse transition

TAKE THE FIRST STEP TOWARD A SEAMLESS RELOCATION
